

How to join Supplier Citizenship Virtual Summit April 12

Option 1: Connect LIVE from your device

- Reboot your computer, if you have not done so in the last 24hours
- Connect with a wired connection when possible
- Use of Chrome browser is recommended for **PC & Mac** users
- If system check pops-up on **Chrome**, click 'SKIP & CONTINUE'
- Audio will be delivered via your computer speakers or headphones. If you don't hear the audio, check to make sure your speakers aren't muted
- Close any applications not needed during the webcast
- To conserve bandwidth and PC processing power pause OneDrive sync during the webcast:
 - Click on the blue cloud icon on the lower right of your system tray
 - Click the 3 dots above MORE
 - Click "Pause Sync" in the middle of the new widow
 - Choose the appropriate length of time
 - You can go back after the broadcast and restart sync or it will automatically restart with reboot, etc.
- Close un-needed browser tabs or sessions
